Desert Rivers Credit Union Language Assistance Plan

Desert Rivers Credit Union (DRCU) is dedicated to fostering financial inclusion and community development. This plan focuses on providing equitable access to financial resources for individuals with limited English proficiency (LEP). With Spanish being the second most spoken language in DRCU's service area, this language assistance plan includes a specific emphasis on the Spanish-speaking community.

II. INTRODUCTION:

Acknowledging the diverse linguistic landscape of our community, DRCU underscores the significance of linguistic accessibility, particularly for Spanish-speaking residents. This plan emphasizes our commitment to serving all members of our community, irrespective of language proficiency. The purpose of this Language Access Plan is to make reasonable efforts to eliminate or reduce English proficiency as a barrier to accessing DRCU products, services, and programs.

III. LANGUAGE ASSISTANCE POLICY:

DRCU affirms its commitment to language assistance, ensuring that LEP individuals, especially Spanish speakers, have equal access to financial services. This commitment aligns with the principles of Title VI of the Civil Rights Act of 1964, emphasizing nondiscrimination in programs and activities receiving federal financial assistance.

DRCU employees shall take reasonable steps to provide LEP individuals with meaningful access to all products, services, and programs offered by DRCU. This policy is based on the principle that it is the responsibility of DRCU and not the LEP person to take reasonable steps to ensure that communications between DRCU and the LEP person are not impaired as a result of the limited English proficiency of the individual.

DRCU staff shall take reasonable steps to effectively inform the public of the availability of language accessible programs and activities.

IV. IDENTIFICATION OF LANGUAGE NEEDS:

To identify language needs, DRCU conducts regular surveys, community engagement events, and tracks language preferences of members, with a specific focus on Spanish speakers. This proactive approach enables us to tailor our language assistance services to the unique needs of the Spanish-speaking community.

V. LANGUAGE ASSISTANCE SERVICES:

All staff will receive training on the importance of providing meaningful information and services to LEP communities in a way that they can understand.
